

Leg Weights

For setting up on a hard surface or floor where pegs can not be used

Gutter Systems

Helpful for where two or more Altegra Gazebos are connected

Gazebo Stall Options

Tables

Half Walls

Awnings

Wall Kits

Standard Wall Kit consists of 2 Solid Wall with Doors, 2 Walls with Aquarium style windows

Wall Kit Extras

3m PVC window that attaches using velcro around the perimeter of the window. This will then allow you to see through without allowing the wind to flow through on colder days.
